

Prototype Feedback - Technical

This is a questionnaire for the prototype developed for GibJohn Tutoring which will be for an audience with a technical understanding, in which it will ask questions about the code behind the solution.

* Required

* This form will record your name, please fill your name.

1. What's your name? *

2. Did you encounter any errors? *

☐ Yes

☐ No

3. Could you explain the error message and the process you went through to get it? *

4. After looking at the code, is there anything you see that's incorrectly done? *

☐ Yes

☐ No

5. Could you explain what and how? *

6. After looking at the code, is there anything you see that you think could have been done better? *

☐ Yes

☐ No

7. Could you explain what and how? *

8. Is the code easy to navigate through and read? *

☐ Yes

☐ No

9. Could you explain what could be done to fix this? *

10. Are the comments readable? *

☐ Yes

☐ No

11. Could you explain what can be done to fix this? *

12. If given this code, would you be able to work from it and add to it? *

☐ Yes

☐ No

13. Why not? *

14. Are the naming conventions understandable and make sense? *

☐ Yes

☐ No

15. Why not? *

16. Anything else you want to mention?

(Leave blank if not)
